### FMC Lithium announces Florida Man Winner of Haviland-Lithium Drawing

**CHARLOTTE, N.C., December 12, 2007** --- A Florida man is the winner of a free TV/monitor given in a drawing at the Haviland Consumer Products booth during the International Pool & Spa Expo held Nov. 28-30 in Orlando. Visitors to the booth could enter the drawing by picking up a brochure on lithium hypochlorite. The giveaway was a joint promotion of Haviland and FMC Lithium, which makes lithium hypochlorite, the premier chloride shock for pools and spas.

Winning the 19-inch Magnavox LCD HDTV flat-screen TV/monitor was Carl A. Schlobohm, president of CJL Pool Service Inc. in Eustis, Fla.

“We’re pleased to be able to award this prize to Mr. Schlobohm,” said Claudio E. Manissero, sales and marketing manager for FMC Lithium. “We’re especially pleased that this promotion encouraged so many people to learn more about lithium hypochlorite, which is a convenient, safe, virtually trouble-free chlorine for pools and spas.”

Lithium hypochlorite is one of some 75 swimming pool products that Grand Rapids-based Haviland formulates, blends, packages and distributes for more than 50 private-label customers. Information on Haviland Consumer Products is available at [havilandusa.com](http://havilandusa.com), by phone at 616/361-2929 or by fax at 616/361-7801. Orders may be placed by calling 800/333-0400.

From its headquarters in Charlotte, N.C., FMC Lithium serves markets including pool-water treatment, air treatment, construction, energy, fine chemicals, glass and ceramics, greases and lubricants, and polymers.
