FMC Lithium Announces New Lithium Division Manager

CHARLOTTE, N.C., September 19, 2008 – FMC Lithium announced today that effective September 22, 2008, Mr. Jonathan D. (Jon) Evans will take the leadership role of Lithium Division Manager, replacing Rakesh (Ricky) Sikand.

Mr. Evans comes to FMC Lithium from AMRI, Inc., a pharmaceutical development services and API (active pharmaceutical ingredient) manufacturing company where he served as Vice President. He was previously employed for thirteen years with the General Electric Company where he took on roles of increasing responsibility, and in 2003 was appointed General Manager, Global Supply Chain for GE Advanced Materials leading a multinational team in fourteen countries. With both domestic and overseas work experience, Mr. Evans is well-positioned to take on this challenging and exciting role as FMC Lithium's Division Manager.

From its headquarters in Charlotte, N.C., FMC Lithium serves markets including battery and energy, air treatment, construction, energy, fine chemicals, glass and ceramics, greases and lubricants, pool-water treatment, and polymers. Information is available at fmclithium.com. The
